

Executive Meeting Minutes - Project Kickoff

Date: October 10, 2026

Attendees: Alice Smith, Bob Johnson, Charlie Brown, Diana Prince

Summary of Discussion:

The team discussed the launch of the new customer feedback analysis pipeline and prioritized action items. Infrastructure readiness was reviewed by Bob.

Action Items:

1. Alice: Finalize the requirements specification and circulate to stakeholders by Friday.
2. Bob: Set up the production ChromaDB vector store instance and configure API access keys.
3. Charlie: Prepare integration test cases for PDF, DOCX, and TXT document ingestion.
4. Diana: Conduct security review on the environment variable storage and secrets management.
